## 8 Reading

### Before Reading

What's unusual about these two houses?

# Unusual Houses

Some people have very unusual houses.

Cave house  
Granada, Spain

Houseboat  
Amsterdam, Netherlands

## Cave Houses

There are many cave homes in southern Spain. However, the homes are made by people and are not natural formations. These houses date back to the eighth century. The area near Granada is very hot in summer and cold in winter. But the temperature in the cave homes is about 19 to 20 degrees Celsius all year round. The houses have electricity and running water, and they are dry and comfortable. Some cave houses are very large and have ten rooms or more. The houses are usually very quiet, too.

### After Reading

1. Are the cave houses cold or hot?
2. Do they have modern facilities?
3. How big are the cave houses?
4. How many houseboats are there in the Netherlands?
5. Who likes to live on houseboats?

### Discussion

Are there any unusual houses in your town or country? What are they like?

## Houseboats

There are over 10,000 houseboats in the Netherlands. Many are on Amsterdam's canals. These are old barges that are now homes. Lots of artists and young people like to live on the houseboats. This summer he is going to the Al-Watani Football School. There, boys learn the techniques of football and how to work as a team. They also have a chance to meet their favorite star players.

Omar is really excited. His parents support him, but they want him to go to a university. They say: "Football is OK, but you need to think about your future. A. Read about Khalid's dream job. Answer the questions.

People always ask me, "What do you want to be when you grow up?" I tell them that I want to be a teacher. Then they ask me, "Why?" Well, my parents are teachers and they are very happy with their jobs. My father teaches math at a college, and my mother teaches at a primary school. But I want to be a science teacher at a high school. I'm really interested in chemistry and physics, and I like to do experiments. I like to help my younger brothers with their homework, so I think I can be a good teacher. When I explain things to them, they usually understand. A teacher's job is important because education is important. It's a difficult job sometimes, but it's rewarding when students learn from you.

## School Around the World

### Ahmed Jeddah, Saudi Arabia

I usually arrive at school before 7 A.M. Assembly is at 6:45, and we always sing the Saudi national anthem. After assembly, we go straight to the classroom. We have six classes a day. Each one lasts 45 minutes. We only leave our classroom for subjects like computer, PE, and art. School finishes at 1 P.M., but there is an optional seventh period for students who want extra tutoring. There are after-school clubs. I'm a member of the football club, so I sometimes stay after school and play football.

### José Amazon Rain Forest, Ecuador

My school is in a village on the Aguarico River. I live far from the school, so I need to get up at 5 A.M. I go to school by canoe, but when it rains a lot I stay at home. Our school has 46 students and two classrooms. There are two teachers, one for grades 1–3, the other for grades 4–6. We study all the subjects in Quechua, our first language, but we also learn Spanish. Our school has a generator for electricity, and it has a computer.

**From:** kaito\_suzuki@mail.jp  
**Subject:** Middle school in Japan

Hi Saeed,

It's fun to have a pen pal in another country! We can practice English. Today, I want to tell you about middle school in Japan.

I usually get up at 7:15. I put on my school uniform, prepare my school bag, and eat breakfast. Then, I go to school by bus. Other students go on foot or by train.

Our school day begins at 8:30. Before classes, we meet in our homeroom for assembly. We have six classes a day, four in the morning and two in the afternoon. We study subjects like language, math, science, social studies, technology, health and PE, and art. Each class is 50 minutes long, with a 5-minute break between classes. We have lunch at 12:30. Everyone brings lunch from home, and we always eat in our homeroom.

School ends at 3:30. Before we go home, we all help to clean the school. There are also many clubs and after-school activities. For example, I play baseball twice a week and I'm in the English club (that's how I met you!). On these days, I usually leave school at 5:00.

What's middle school like in Saudi Arabia? Write back soon.

Your friend,

Hi Omar,

Thanks for your email. Here are some answers to your questions about me. I have a small family. There's just my father, my mother, and my sister. My sister's name is Kate, and she's nineteen years old. She's at college. She is studying to be a doctor. My dad's a doctor, too.

I live in a small town about one hour from New York City by train. My neighborhood is nice and quiet, and we have everything we need right here. My school is only a couple of blocks from my house, and there's an enormous shopping mall near here. My friends and I hang out there often.

I have a parrot. His name is Gabby. Do you have a pet? I play football on the local team. The name of the team is Square United. What's your favorite sport?

Tell me more about your family, your town, and your interests.

7 Reading 

Before Reading

First, look at the pictures and name the objects.  
Do you use the same words when you speak Arabic?

English Everywhere

Do you come across English in your everyday life? Some teachers and students complain that they don't use any English outside the classroom. Think about it: we read, hear, and use English all the time. For example:

- Words for food like burger or chips.
- Computer jargon that is also used in general English, such as window, mouse, click, drag, etc.
- Words for clothes like jeans or T-shirt.

• Short greetings or abbreviations like "Hello" or "OK."

Think of all the video games, social networks, websites, and other material on the Internet. When students search for information, they look up sources in English. Most of the films and programs on cable TV are available in English. Finally, any time you walk into a mall or a supermarket and pick up different products, check the label or the instructions. Most of the information is in English. English is everywhere, outside the classroom!

## After Reading

A. Read the text. Answer **yes** or **no**.

1. \_\_\_ Some students never use English outside the classroom.
2. \_\_\_ Some words we use for computers also have a general English meaning.
3. \_\_\_ Students don't need English when they search for information on the Internet.
4. \_\_\_ Most films on cable TV are in English.
5. \_\_\_ There are no English labels on products we buy at the supermarket.

B. Answer the questions.

1. What is computer jargon? Find examples in the text.
2. What are some English words for food and clothes that different speakers use?
3. When do students hear, read, or speak English?

## Discussion

1. What other English words do you use in your country?
2. What Arabic words do English speakers use?
3. Do you read the subtitles when you watch films? Why? Why not?
4. How do you feel about using English in games or on the Internet? Why?
5. Why is it important to know how to speak English? Give examples.
