Transcript

1.

Well, from what you've been telling me, Mr. Grant, it sounds like you're already eating more vegetables. That's good. But you should definitely eat less cheese. It has a lot of sodium and fat in it. That might explain why your cholesterol level is so high.

2.

I'm glad to hear that you've been eating fish more often, Linda. It's much better for you than meat because it has a lot less fat in it. It will probably help your high blood pressure, too. Now, you should also try to eat more fresh fruit, too, especially oranges and bananas.

3.

Well, Chris, I think it's great that you've been eating a lot of vegetables. I see you've been having fruit with every meal, too. That's excellent. But you say you've been feeling tired and weak lately, so you should eat more meat.

4.

Ms. Barton, I'm wondering about all the bread you've been eating. I know you need to lose weight, and sometimes eating a lot of bread makes that very difficult. So, I'd like you to eat less bread for a few weeks. Otherwise, your diet seems pretty well-balanced. You're eating meat, but not too much meat, as well as a lot of fruit and vegetables.

5.

You're right, Mr. O'Brien. You're definitely losing too much weight. It's probably because you haven't been eating meat. Now, even if you don't eat meat, you still need protein. Why don't you try eating more eggs and cheese? They've got a lot of protein. I'm sure that will help.

6.

Well, Mrs. Johnson, you said you've been eating a lot of candy and chocolate. I know, we all love sweet things, but chocolate can be really bad for your skin, especially when you're under stress. That's probably why you have this skin problem now. I suggest you stop eating chocolate for a few months. Instead, eat more fruit.

   They are going to see a basketball game

   ..... .

Best of luck!
Mr. Rashed Alsulami

Clive: Hey Heather, when is your brother getting into town?
Heather: On Thursday at eight o'clock in the evening.
Clive: Are you going to do anything together that night?
Heather: No, I think he'll be too tired and will probably just want to go to bed early.
Clive: That's true, it's a long flight from Melbourne.
Heather: I am so looking forward to having him here.
Clive: How long is he going to stay?
Heather: Only till Monday, then he goes to Boston to see our parents.
Clive: Great, so what about Friday? What are you going to do? Do you have any special plans?
Heather: You bet! He can relax in the apartment on Friday morning and then in the afternoon, we are going to the beach with some of my friends to have a picnic.
Clive: I hope the weather is sunny for you.
Heather: So do I.
Clive: And then in the evening?
Heather: I'm going to take him to Domingo's. That Mexican restaurant on 7th Avenue - do you know it?
Clive: Yeah, but I thought it was very difficult to book a table there.
Heather: Not if you know one of the waiters it isn't! Then, on Saturday morning, we are going to go to the Metropolitan Museum. They've got an exhibition I know Terry will be really interested in. And then we are having lunch in Central Park before doing a bit of shopping.
Clive: It seems strange to come all the way back from Australia to do some shopping.
Heather: Yes, I know but there are some things he wants to buy.
Clive: I'm meeting you guys on Saturday evening at eight o'clock, right?
Heather: Oh yes, of course. The party is at Clare's house. Come round here just before eight and we can take a cab over to Clare's together.
Clive: Alright.
Heather: My brother's leaving early on Monday so Sunday will be his last day with me. We are driving up to the lakes first thing and we are fishing all day on Sunday. It will be just like when we were young. When we come back to the city, I have one extra surprise for him before he leaves the next day.
Clive: Oh, tell me what it is.
Heather: OK, but promise not to say anything to him. We're going to see a basketball game. It was so difficult to find tickets but I got them. It's going to be a great weekend.
Clive: That sounds wonderful. You will have a brilliant time.
