I. Reading Comprehension

Ali is the best player on the school football team. This month his older brother is helping the gym teacher to coach the team. Although this seemed like a good idea, it's not working out well. Ali's brother is always yelling at him and telling him he's not good at football. Ali seems nervous and isn't doing well. That's hurting the team. The other players are worried, especially because some important matches are coming up.

What should the other players do?

Our Room

My name is Tony, and they are my two siblings Ana and George. We are in our room. My hair is black, but Ana and George are very different. His hair is brown and her hair is yellow. He is a brunette. She is a blonde.

This is our room. It isn't clean and organized. It is very messy and dirty. There are three beds and bedside tables but their beds aren't in the photo. There is a white trunk with our toys, and there is a lamp and alarm clock on my table.

On the walls, there are two pictures, one poster of a purple monster and one photograph of our cat. Its name is Mr. Whiskers, it is 10 years old and it is a very nice cat. Its hair is soft and yellow and its teeth are very big.

Our toys are in the big, white trunk, but Ana prefers coloring pencils. Her pencils are on the floor.
