A Unique Hotel

There is a unique hotel that is located in Ottensheim, Austria, on the banks of the Danube River. It is called the Dasparkhotel. This hotel was created for travelers on a low budget. Travelers who stay at the Dasparkhotel are not looking for luxury and convenience. They are just looking for an interesting and inexpensive place to spend the night.

The hotel has three "suites." What is unique about the suites is that they are actually old sewer pipes. Naturally, the sewer pipes have been completely cleaned. Each pipe has also been furnished with a bed, a light, an electrical outlet, and a window. The pipes are 6 feet (2 meters) across and 8 feet (2.5 meters) long.
